## Primary Care Physician Information

### Adult Medicine

#### **Marc Adler, MD**

Dr. Adler is board-certified in internal medicine and a Fellow in the American College of Physicians. Dr. Adler attended medical school at the State University of New York at Syracuse. He completed an internship and residency in Internal Medicine at Winthrop-University Hospital. In addition to his clinical experience, Dr. Adler has held several academic positions with SUNY-Stony Brook and Winthrop-University Hospital. He is active in community events and medical teaching throughout Long Island.

#### **Roman Brushtein, MD**

Dr. Brushtein is board-certified in internal medicine who joined our office in 2005 from a practice in Far Rockaway. Dr. Brushtein attended medical school and completed his residency training in Russia. In 2002 he completed his Fellowship in Internal Medicine at St. John's Episcopal Hospital in Far Rockaway. Dr. Brushtein is fluent in English, Russian and Hebrew.

#### **Betty Ann Kelly, MD**

Dr. Kelly is a native Long Islander, board certified in family practice, though she focuses her practice exclusively on the care and treatment of adults. Dr. Kelly attended medical school at the State University of New York at Stony Brook and completed her residency training at Southside Hospital in Bay Shore. She has been a primary care physician in this office for over 8 years and in practice for more than 15 years.

#### **Sweety Marfatia, MD**

Dr. Marfatia is board-certified in internal medicine and has been a primary care physician in this office for several years. She completed her medical training in New York at Saint Vincent Catholic Medical Centers of Brooklyn and Queens. She completed a Fellowship at Long Island Jewish Medical Center in New Hyde Park. Dr. Marfatia resides locally with her family.

## **Pediatrics**

### **Kathy Messina, MD**

Dr. Messina is board certified in pediatric medicine and has been practicing pediatrics in this office for over 5 years. Dr. Messina attended New York Medical College and completed her pediatric training locally at Winthrop University Hospital. She has held attending physician positions at Mercy Medical Center, Winthrop University Hospital, North Shore University Hospital and South Nassau Hospital.

### **Amira Waseem, MD**

Dr. Waseem is board certified in pediatric medicine and has been practicing pediatrics in this office for over 4 years. Dr. Waseem attended medical school in New Jersey and completed her pediatric training locally at the Long Island Jewish Medical Center. She has held attending physician positions at several local hospitals including Mercy Medical Center and Winthrop University Hospital.
